

Diagram illustrating a single box containing the text "AgBb". The box has a light blue background and is outlined by a yellow border, which is itself inside a green border. The text "AgBb" is displayed in a dark blue font, with the "B" being red. The entire box is set against a light gray background.

AgBb

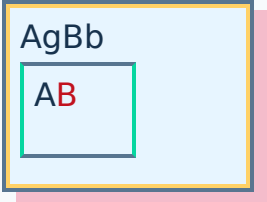

Diagram illustrating a box containing the text "AgBb". The box has a light blue background and is outlined by a yellow border, which is itself inside a green border. The text "AgBb" is displayed in a dark blue font, with the "B" being red. Inside this box, there is a smaller box with a light blue background and a green border, containing the text "AB" in a dark blue font, with the "B" being red. The entire box is set against a light gray background.
