

A

A solid pink rectangular block occupying the top third of the image.

B

A solid yellow rectangular block occupying the middle third of the image.

C

A solid teal rectangular block occupying the bottom third of the image.

D

A horizontal bar chart consisting of three stacked rectangular segments. The top segment is teal and contains the letter 'D' in its top-left corner. The middle segment is light purple and contains the letter 'E' in its top-left corner. The bottom segment is orange and contains the letter 'F' in its top-left corner. The segments are separated by thin white horizontal lines.
