

AgBb

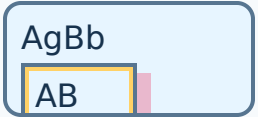

A diagram of a single cell with a light blue rounded rectangular body and a yellow border. The text 'AgBb' is inside. A pink shadow is visible to the right and bottom of the cell.

AgBb

AB

A diagram of a large cell with a light blue rounded rectangular body and a yellow border. Inside, at the top-left, is a smaller rounded rectangular cell with a dark blue border and the text 'AB'. A pink shadow is visible to the right and bottom of the large cell.

AgBb

AB

A diagram of a cell with a light blue rounded rectangular body and a dark blue border. Inside, at the bottom-left, is a small rounded rectangular cell with a yellow border and the text 'AB'. A pink shadow is visible to the right of the small cell.
